The administrative law judge shall fix a place and date for the hearing and notify all parties and the Bureau at least 30 days in advance of the date set, unless the parties and the Bureau request or consent to an earlier date. The notice shall include (a) the time, place, and nature of the hearing, (b) the legal authority and jurisdiction under which the hearing is to be held, and (c) the matters of fact and law asserted. All hearings held in connection with land selection appeals arising under the Alaska Native Claims Settlement Act, as amended, shall be conducted within the state of Alaska, unless the parties agree otherwise.

§ 4.452-3 Postponements.

(a) Postponements of hearings will not be allowed upon the request of any party or the Bureau except upon a showing of good cause and proper diligence. A request for a postponement must be served upon all parties to the proceeding and filed in the office of the administrative law judge at least 10 days prior to the date of the hearing. In no case will a request for postponement served or filed less than 10 days in advance of the hearing or made at the hearing be granted unless the party requesting it demonstrates that an extreme emergency occurred which could not have been anticipated and which justifies beyond question the granting of a postponement. In any such emergency, if time does not permit the filing of such request prior to the hearing, it may be made orally at the hearing.

(b) The request for a postponement must state in detail the reasons why a postponement is necessary. If a request is based upon the absence of witnesses, it must state what the substance of the testimony of the absent witnesses would be. No postponement will be granted if the adverse party or parties file with the administrative law judge within 5 days after the service of the request a statement admitting that the witnesses on account of whose absence the postponement is desired would, if present, testify as stated in the request. If time does not permit the fil-

ing of such statement prior to the hearing, it may be made orally at the hearing.

(c) Only one postponement will be allowed to a party on account of the absence of witnesses unless the party requesting a further postponement shall at the time apply for an order to take the testimony of the alleged absent witness by deposition.

§ 4.452-4 Authority of administrative law judge.

The administrative law judge is vested with general authority to conduct the hearing in an orderly and judicial manner, including authority to subpoena witnesses and to take and cause depositions to be taken for the purpose of tasking testimony but not for discovery in accordance with the act of January 31, 1903 (43 U.S.C. 102-106), to administer oaths, to call and question witnesses, and to make a decision. The issuance of subpoenas, the attendance of witnesses and the taking of depositions shall be governed by §§ 4.423 and 4.26 of the general rules in subpart B of this part.

§ 4.452-5 Conduct of hearing.

So far as not inconsistent with a pre-hearing order, the administrative law judge may seek to obtain stipulations as to material facts and the issues involved and may state any other issues on which he may wish to have evidence presented. He may exclude irrelevant issues. The contestant will then present his case following which the other parties (and in private contests the Bureau, if it intervenes) will present their cases.

§ 4.452-6 Evidence.

(a) All oral testimony shall be under oath and witnesses shall be subject to cross-examination. The administrative law judge may question any witness. Documentary evidence may be received if pertinent to any issue. The administrative law judge will summarily stop examination and exclude testimony which is obviously irrelevant and immaterial.

(b) Objections to evidence will be ruled upon by the administrative law judge. Such rulings will be considered, but need not be separately ruled upon,
